

Rudder - User story #7618

Add an option to disable display changes graphes if they are slow

2015-12-16 02:30 - Vincent MEMBRÉ

Status: Released	
Priority: 2	
Assignee: François ARMAND	
Category: Web - UI & UX	
Target version: 3.0.13	
Pull Request: https://github.com/Normation/rudder/pull/1006	User visibility:
Suggestion strength:	Effort required:
Description On firefox (and old browsers) displaying recent changes graphes does not work fine . On firefox 42, everything is ok ! (with the latest version of d3/c3.js, updated in 3.0.12 and 3.1.5) But still we want that page to be displayed quickly even on those browsers A solution is to add an option to replace those graphs by the sum of all changes over the last 3 days without details That option can be activated on the fly via the web interface	
Related issues: Related to Rudder - Bug #5539: Rules page can be very long to display Rejected
