<b>Description</b>		
In <a href="#">#2312</a> , we renamed "Policy Templates" to "Techniques", then in <a href="#">#2758</a> we added a dummy package called "rudder-policy-templates" to ensure upgrades from Rudder 2.3 to 2.4 would work OK.		
This package is still around in our repos now, but never used. Upgrades from 2.3 to 2.11 are not supported, so we can safely remove this package now.
