Description	
In #7282 , we introduced a check in rudder agent info for last inventory sent time However, this file is never created (except in initial promises), so for upgraded system, we always get "Not yet sent", and for accepted systeme, we get (roughly) the acceptance date

#3 - 2016-01-15 14:43 - Jonathan CLARKE

- Subject changed from rudder agent info always says "Inventory sent: Not yet sent" to inventory sent file not set in

- Status changed from New to In progress

- Assignee set to Jonathan CLARKE

- Target version changed from 3.1.6 to 2.11.18

This is caused by the PR for [#7206](#) that only added this in initial-promises. We should port that same change to system techniques.
