

Rudder - Bug #8396

"repaired" are counted as "required attention" on node compliance details

2016-05-26 12:29 - François ARMAND

Priority: 1	
Assignee: Nicolas CHARLES	
Category: Web - Compliance & node report	
Target version: 3.0.16

Description	
If we only have success/repaired, and so everything is green, we still get "There are 1 out of N reports that require attention" for repaired.	
This is unconsistant with the whole behavior.
