

## Rudder - Bug #8532

### Update promises on Windows complains about setting ownership to "root"

2016-06-14 15:24 - Nicolas CHARLES

<b>Status:</b> Released	
<b>Priority:</b> N/A	
<b>Assignee:</b> Alexis MOUSSET	
<b>Category:</b> System techniques	
<b>Target version:</b> 2.11.23	
<b>Pull Request:</b> <a href="https://github.com/Normation/rudder-techniques/pull/977">https://github.com/Normation/rudder-techniques/pull/977</a>	<b>Effort required:</b>
<b>Severity:</b>	<b>Priority:</b>
<b>User visibility:</b>	
<b>Description</b>	
On windows, the update of promises complains about user root:	
<pre>2016-06-14T09:31:40Romance Daylight Time error: /default/update/methods/'update'/default/update_action/files/'C:\Program Files\Rudder\var\ncf\common'[0]: Could not look up name 'root'. (LookupAccount)</pre>	
it seems it tries to set ownership to root, while it should be the current admin account	

#### Associated revisions

##### Revision 133a05fe - 2016-06-22 17:02 - Nicolas CHARLES

Fixes #8532: Update promises on Windows complains about setting ownership to "root"

#### History

##### #1 - 2016-06-14 15:36 - Nicolas CHARLES

Interestingly, if a root user exists under windows, it goes:

```
2016-06-14T15:27:30Romance Daylight Time error: /default/update/methods/'update'/default/update_action/files/'C:\Program Files\Rudder\var\ncf\common'[0]: Windows is unable to implement a change owner policy, but file 'C:\Program Files\Rudder\var\ncf\common\30_generic_methods\user_create.cf' violates Cfengine's ownership promise (Windows can only change owner to user running Cfengine)
```
